

REFUND POLICY

A tuition deposit of \$100 (check payable to the University of Illinois) must be submitted with the Application. Applicants who wish to attend multiple sessions must complete an application and submit it with the \$100 deposit for each camp; applicants are responsible for full tuition in the case of multiple camp applications.

Refunds will be given in the following instances:

1. The full tuition deposit (\$100) refund will be sent to applicants of a closed camp or section.
2. A partial tuition deposit (\$70 + any early payment) refund will be sent to applicants who cancel prior to 3 weeks before the first day of camp or do not meet minimum camp requirements.
3. No refund of the tuition deposit (\$100) or tuition will be given to applicants under the following circumstances: those who cancel during the 3 weeks prior to the first day of camp, those who depart from camp early, or arrive to camp late.

Due to costs being set based on enrollment we are unable to offer any other refund options.
